Gentlemen:

No doubt you run many affairs which require flags.

We are in the flag-decorating business; also furnish flags, special banners and service flags to order. We have flags of all nations for sale or to rent, single, or in complete sets.

In addition, we can furnish and set up speaker platform of any size.

Won't you keep this letter on record, and call upon us whenever we can be of service to you?

Very truly yours,
